The antibodies are thus useful in a variety of diagnostic and therapeutic applications involving prostate cancer. A hybridoma cell line secreting monoclonal antibody PR1 is also provided, as well as methods for screening for the presence of metastatic prostate cancer. [portfolio: Cancer—Therapeutics]

Antibodies To Human LINE-1 p40 Protein

Fanning, T.G. (NCI)
Serial No. 07/750,044
Patent Issued 18 Jan 94
U.S. Patent No. 5,280,108

Antibodies to the human LINE-1 retrotransposon offer a powerful new tool for studying tumors. In most cell lines and tissues, human LINE-1 sequences (LIHs) are not expressed; however, LIH-specific RNA and proteins have been detected in cell lines and tissues derived from human germ cell tumors (teratocarcinomas) and breast tumors. These LIH antibodies, which are specific for the p40 protein portion of the retrotransposon, can be used for determining LIH expression in tumor cells and determining the role this retrotransposon plays in these cells. Cartilage-Derived Morphogenetic Proteins

Luyten, F.P., Moos, M., Chang, S. (NIDR)
PCT Application PCT/US94/12814 filed 7 Nov 94
DHHS Reference No.: E-138-94/0

The present invention provides a cartilage-derived extract which initiates and promotes ectopic cartilage and bone development *in vivo* and recombinant cartilage-derived morphogenetic proteins which promote development of musculoskeletal tissues *in vivo*. These products will be useful in the therapeutic induction, repair, and maintenance of skeletal tissues. These compounds show promise for the healing of joint surface lesions and repair or reconstruction of cartilaginous tissues. They are also useful as growth factors for cells of the chondrocyte lineage which, expanded *ex vivo*, can be implanted into an individual where cartilage growth is desired. In addition, cloned polynucleotides encoding these proteins will be effective diagnostic reagents for detecting genetic abnormalities associated with poor skeletal development. Substance Abuse and Mental Health Services Administration

Proposed Data Collection Available for Public Comment

In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 to provide the opportunity for public comment on proposed data collection projects, the Substance Abuse and Mental Health Services Administration publishes periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the data collection plans and instruments, call the SAMHSA Reports Clearance Officer on (301) 443-0525.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance

of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Projects

(1) FY 1997 Community Mental Health Services Block Grant Application Voluntary Format and Content—Extension with no change—The Public Health Service Act (42 U.S.C. 300x 1–9) authorizes block grants to States for the purpose of providing community based mental health services. Under the provisions of the law, States may receive allotments only after an application is approved by the Secretary, DHHS. For the FY 1997 CMHS Block Grant cycle, SAMHSA plans to provide States with the same voluntary application format and instructions as in FY 1996. The annual burden estimate is shown below:

No. of respondents	No. of responses per respondent	Avg. burden per response	Total annual burden
59	1	320 hours	18,880 hours.

(2) FY 1997 Substance Abuse Prevention and Treatment Block Grant Application Format—Extension with no change—The Public Health Service Act (42 U.S.C. 300x 21–35 & 51–64) authorizes block grants to States for the purpose of providing substance abuse prevention and treatment services. Under the provisions of the law, States may receive allotments only after an application is submitted and approved by the Secretary, DHHS. For FY 1997 SAPT Block Grant cycle, SAMHSA plans to provide States with the same application forms and instructions as in FY 1996. These forms and instructions will enable States to comply with the requirements of the law and the regulations implementing the law. The annual burden estimate is shown below:

No. of respondents	No. of responses per respondent	Avg. burden per response	Total annual burden
60	1	530 hours	31,800 hours.

(3) Substance Abuse Prevention and Treatment Block Grant—45 CFR Part 96—Extension with no change—This interim final rule provides guidance to States regarding the Substance Abuse Prevention and Treatment Block Grant legislation. The rule implements the reporting and recordkeeping requirements of 42 U.S.C. 300x 21–35 & 51–64 by specifying the content of the States' annual report on and application for block grant funds. SAMHSA plans to request that OMB extend approval of the recordkeeping requirements in the rule with no changes. The annual recordkeeping burden estimate is shown below:

No. of record-keepers	Avg. annual burden per recordkeeper	Total annual recordkeeping burden
60	16 hours	960 hours.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

Office of Administration

[Docket No. FR–3950–N–02]

Notice of Submission of Proposed Information Collection to OMB

AGENCY: Office of Administration, HUD.
ACTION: Notice.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for emergency review and approval by November 20, 1995, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

DATES: The due date for comments is: December 6, 1995.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Comments must be received within seven (7) days from the date of this Notice. Comments should refer to the proposal by name and should be sent to: Joseph F. Lackey, Jr., HUD Desk Officer, Office of

Management and Budget, New Executive Office Building, Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT: Kay F. Weaver, Reports Management Officer, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410, telephone (202) 708–0050. This is not a toll-free number. Copies of available documents submitted to OMB may be obtained from Ms. Weaver.

SUPPLEMENTARY INFORMATION: This Notice informs the public that the Department of Housing and Urban Development (HUD) has submitted to OMB, for emergency processing, an information collection package with respect to a proposed “Notice of Application—foreclosure commissioners,” [Docket No. FR–3950–N–01]. HUD seeks to implement the requirement of Section 3754 of the Single Family Mortgage Foreclosure Act of 1994 (the Act), 12 USC 3751 *et seq.*, which requires that single family foreclosure commissioners designated by HUD be “responsible, financially sound, and competent to conduct a foreclosure.”

The Act creates for the Secretary of HUD a non-judicial power of sale with respect to HUD-held mortgages and loans originated under Titles I and II of the National Housing Act, and with respect to loans originated under Section 312 of the Housing Act of 1964. The Act will thus allow HUD to complete foreclosures of such mortgages in about two months, rather than the longer periods—up to two years—obtaining under the laws of the various States, particularly those using a judicial process to foreclose. The longer periods result in substantial unnecessary costs (for management, vandalism, taxes, etc.) to the FHA mortgage insurance funds and, by extension, to the taxpayers. Thus, implementation of the Act, including designation of foreclosure commissioners, will lead to substantial savings to the Department.

The Department has submitted the proposal for the collection of information, as described below, to OMB for review, as required by the Paperwork Reduction Act (44 U.S.C. Chapter 35):

(1) Title of the information collection proposal:

Notice of Application for Designation as Single Family Foreclosure Commissioner

(2) Summary of the collection of information:

Each party seeking designation as a foreclosure commissioner would be
